*Finance controller with legal/tax interest (M/F)*

---

 **About our Company**

ActoBio Therapeutics™ is dedicated to the commercialization of ActoBiotics technology, a unique approach to delivery of biologicals by use of genetically modified food bacteria. ActoBio houses a unique blend of highly motivated and inspired experts, creating an environment of enthusiasm and expertise, which makes ActoBio the game changer.

ActoBio Therapeutics is a subsidiary of Intrexon, a global synthetic biology company, developing a broad and diverse portfolio of novel, knowledge based solutions addressing major obstacles in the life sciences industry. ActoBio Therapeutics is seeking motivated experts that have a great interest in innovative molecular thinking.

To strengthen our Ghent, Belgium based Intrexon ActoBio Therapeutics subsidiary, we are looking for a motivated
